

# How to submit a final project

## BA, BSc, MBA, MSc or MBA-E

### What do you need to bring to submit your final project?

1. Dissertation permit from the Accounts Department (1<sup>st</sup> Floor Room 13)
2. Two Turnitin Originality Reports (Shows similarity) see example provided
3. 1 Assignment submission Form (Complete the top section with your details)
4. Two University Assessment Forms with completed top sections (They must be related to your University, Course and the Final Project)
5. Two Bound copies of your final project (**Please note: We do not accept Spiral Binding**)

### What forms should you be bound in to your final project?

1. Two University Declaration Forms (Signed and Dated by the Student)
2. Two Supervisor Declaration forms – **Post Graduate Students Only** (Signed and Dated by the Supervisor)

Please note: All declaration forms need to attach after the Title Page of your final project

### Softcopies

All students need to upload a softcopy of your final project and the Research Reflection Report (**Post Graduate students only**) to the Turnitin before the deadline
